

Preliminary

Sairam all. I am BabaSai's Lovely Daughter, Neha Dhanpal. We all love reading Sai Satcharitra (SSC) and reading SSC is a biggest blessings Baba have given all of us through Hemadpant ji . As we, Sai children, have never been in those times with Baba, living in Shirdi when Baba was there in person as flesh & body so reading Sai Satcharitra makes us to feel the living presence of Baba. But, along with reading, when we look to the pictures of every chapter and read, it fills the living presence, endures more essence, gives the pleasantness to our eyes by looking the pictures and reading it which showers bliss and happiness filled in it. We might get pictorial representation of some of the topics of Sai Satcharitra through Google or in various websites but I always had a thought that, never there is any pictorial representation of SSC of each single chapter in a single frame covering the pictures of all the topics of that chapter. And with the inspiration from it which Baba gave, and with the grace of Baba, Baba himself handed over this little work to me. With Baba's grace, How Hemadpant ji took up the task of writing "SAI SATCHARITRA" in that way I took up the task of making "PICTORIAL REPRESENTATION" of Sai Satcharitra. **It's Baba himself who have done it and I was just an outward instrument or Baba's Puppet in completing this task*.*

Gratitude

My first and biggest Thanks to my all in all, my lovely BabaSai for showering so much abundance of grace on me, blessing me with this little seva, and guiding me through each and every pictorial representations, starting from Chapter-1 till Chapter-51. As I never know any editing nor have any experience skills, but still I never felt any burden, as Baba himself was doing it and I was just an outward instrument of Baba to make this pictorial representations. Thank you so much Baba. Love you.

Thanks to Subhashini aunty, for believing in me & lending me this Nobel work. Thank you Aunty.

My special Thanks to my very special brother, My Sai Brother, Hrithik Goyal for being my right hand and helping me in this work. Thank You Hrithik.

These pictorial representation is made so that each and every Sai children should get use of it. So my biggest motive is, this should reach all those Crores of Sai Children.

KEEP SHARING WITH ALL OTHERS, LET ALL ENJOY THE READING OF SAI SATCHARITRA WITH THE ESSENCE OF PICTORIAL REPRESENTATION

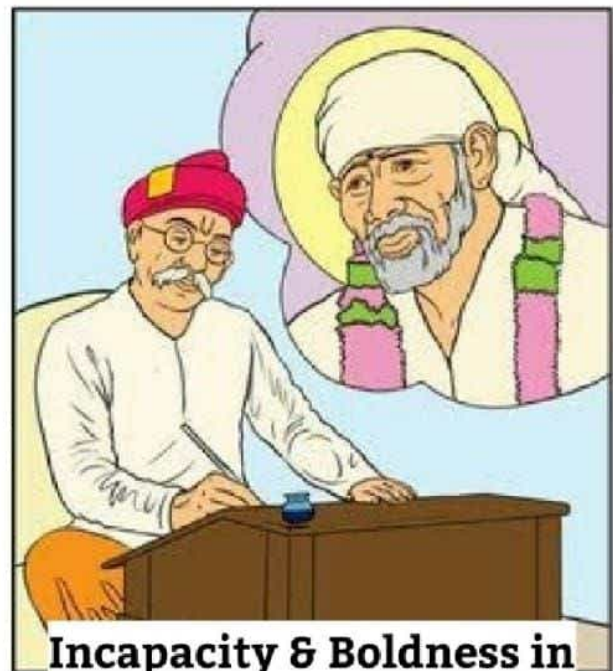

Thank You 🙏
Sairam 😊🙏
